

SOLAR FORTÚN

ROSÉ OF MOURVÈDRE · ESTATE GROWN

Viña en Rosa 2024

A canyon-cooled rosé of Mourvèdre.

Always a delight, Solar Fortún's rosé is 100% Mourvèdre from their organically farmed estate, tucked into a corner of Valle de Guadalupe so tight it feels more like a canyon. 2024 was close to a perfect growing season, and it shows. Just 8 hours on the skins gives it that pretty pale-pink glow, the canyon breezes keep it fresh and bright, and at 11.8% it's dangerously easy to pour. Sunny afternoon in a glass – plan on a second bottle.

The Vineyard

Estate vines planted in 2007 near the town of Francisco Zarco. A constant canyon breeze keeps rot and mildew away and preserves bright acidity and floral aromatics.

Site	Francisco Zarco
Elevation	1,100 ft
Soil	Decomposed sandstone, red clay
Farming	Organic, sustainable

In the Cellar

Picked by hand, pressed and given a short skin contact for color, then fermented and rested in stainless steel.

Harvest	Sept 23, 2024, by hand
Skin contact	8 hours
Fermentation	2 weeks, stainless
Resting	3 months, stainless

The 2024 Vintage

A long, cold winter with almost double the average rainfall let the vines go fully dormant.

> *A moderately warm summer followed, giving the grapes a longer hang time than usual.*

Serve well chilled, 8–10 °C (46–50 °F).
Pair with grilled shrimp, salads or fish tacos.

SOLAR FORTÚN

Solar Fortún is family owned and run by the López family. Santiago, the founder and winemaker, is the son of two physics professors in Ensenada, and the estate was conceived with scientific precision: every detail deliberate, nothing left to chance.

The winery runs with near-total sustainability, with harvest and most vineyard work done by hand. The name nods to Francisco Zarco, the 19th-century journalist who wrote as "Fortún," and to "solar," a sun-drenched rural plot.
