SAUVIGNON BLANC · VALLE DE GUADALUPE

# Ir y Venir 2024

*Citrus, not tropical. Crisp and easy.*

Ir y Venir keeps Sauvignon Blanc on the citrus side rather than the tropical: lemon zest, grapefruit, white peach, honeydew and fresh herbs, with a touch more mid-weight richness than the 2023. The 2024 growing year brought better weather, better yields and more water, and production edges up from 700 to 713 cases. It is delicious on release and holds for about five years.
