Canto de Luna 2024

Young, fruity and easy to drink.

Canto de Luna belongs to Carrodilla's young line: a fruity red made without oak aging to keep the fruit in front, with little of the green pyrazine character, a round, friendly feel and low alcohol. A long, rainy winter fed the vines' early growth in 2024, and a hot summer let the grapes ripen properly. Compared with the 2023, there is more Syrah (30% against 24%) and less Tempranillo (25% against 33%), alcohol drops from 14% to 13.5%, and no sulfites are added.
