SAUVIGNON BLANC · ESTATE GROWN

# Viña Kristel 2025

*A longtime standout hits a new benchmark.*

Viña Kristel has long been a standout in the Monte Xanic lineup, and 2025 takes it to a new level. Near-perfect conditions let the fruit reach full maturity, and picking plot by plot over most of August captured a precise mix of ripe depth and natural acidity, with no adjustments needed in the cellar. Kept entirely in stainless steel, it's pure, bright and beautifully clear, with structure and expression in perfect step. One of the estate's finest vintages, and a Baja Sauvignon Blanc to stock up on.

MONTE XANIC
BODEGA VINÍCOLA

Founded in 1987 by Hans Backhoff and four friends, Monte Xanic is heralded as Mexico's first boutique winery, and its move to make wine from its own grapes helped spark the valley's boutique revolution.

Since 2023 every bottle comes only from its own estate vineyards in Valle de Guadalupe and Valle de Ojos Negros, farmed regeneratively with organic practices, and its winery is a model of modern eco-friendly design.
