2022 Tinto - RG MX

Tasting Notes and Drinking Window:

The flagship wine of the RGMX, the "RGMX Tinto" delivers an exceptional quality at its midrange price point. There are very few wines made with such natural methods that turn out this clean, precise and refined. The structure is that of a fine Bordeaux or Super Tuscan but with a fraction of the price tag and the same capacity for aging. A strikingly nuanced nose of bright red fruits, tobacco, and chocolate, flow seamlessly into a palate of multidimensional architecture where the piccolos are in perfect balance with the upright bass in a symphony that delivers well-beyond expectations. This is a serious wine that will dazzle those with good reference for high-end red wines. Bravo.

Vineyards:

Valle de Parras, Coahuila - Planted 1999 in soils of sand, clay and slit at an elevation of 5,000ft. All estate vineyards are farmed organic with an emphasis on overall sustainability and biodiversity. The vines for this wine comprise 14.8 acres of the 135 acres under vine.

Winemaking:

Harvested by hand during the night to preserve freshness and fruit purity. Following hand sorting, the grapes were gently pressed and fermented in stainless steel tanks for two weeks. The wine was then racked to French oak barrels (20% new, 80% 2nd and 3rd use) for 24 months of maturation. Fermentation was carried out with native yeasts, and the wine received only a coarse filtration prior to bottling.
