

MONTE XANIC
BODEGA VINÍCOLA

CABERNET SAUVIGNON · TWO VALLEYS

Cabernet Sauvignon 2024

Blue fruit, cassis and polish.

The warmth of the 2024 season brought added depth and composure to this Cabernet from Valle de Guadalupe and high-elevation Valle de Ojos Negros, drawing it further into blue fruit, cassis and dark floral notes, with hints of lavender, violets and mint, while keeping the lift and structure that define the sites. There's more flesh on the palate this year and a more seamless tannic profile. Oak frames rather than shapes the wine. Approachable young, with the balance to evolve beautifully over the next decade.

MONTE XANIC
BODEGA VINÍCOLA

Founded in 1987 by Hans Backhoff and four friends, Monte Xanic is heralded as Mexico's first boutique winery, and its move to make wine from its own grapes helped spark the valley's boutique revolution.

Since 2023 every bottle comes only from its own estate vineyards in Valle de Guadalupe and Valle de Ojos Negros, farmed regeneratively with organic practices, and its winery is a model of modern eco-friendly design.
