

MONTE XANIC
BODEGA VINÍCOLA

CHENIN BLANC · COLOMBARD

Chenin Blanc 2025

The estate's emblematic white.

Chenin Colombard was the first white Monte Xanic ever made, back in 1988, and it's still the blend that defines the winery. The 2025 vintage reflects a beautifully even growing season, with a cold winter and abundant sunlight through September encouraging exceptional aromatic clarity. Chenin Blanc brings all the complexity and Colombard the acidity: bright citrus and orchard fruit, finely tuned acidity and a clean mineral edge. Vibrant, luscious and defined by precision rather than power.

MONTE XANIC
BODEGA VINÍCOLA

Founded in 1987 by Hans Backhoff and four friends, Monte Xanic is heralded as Mexico's first boutique winery, and its move to make wine from its own grapes helped spark the valley's boutique revolution.

Since 2023 every bottle comes only from its own estate vineyards in Valle de Guadalupe and Valle de Ojos Negros, farmed regeneratively with organic practices, and its winery is a model of modern eco-friendly design.
