Gran Ricardo 2023

Mexico's super-premium benchmark.

The 2023 Gran Ricardo highlights Oscar Gaona's increasingly meticulous handling of the estate's vineyards, with multiple passes through each parcel and separate vinifications. A remarkably temperate season brought clarity and freshness, shaping a wine defined more by detail and aromatic character than sheer scale. Cabernet Sauvignon from Valle de Guadalupe anchors the blend with depth and color, Merlot adds vivid blue fruit, Cabernet Franc delicate herbal notes and Malbec a floral edge of violets. Refined, layered and built to age.

MONTE XANIC
BODEGA VINÍCOLA

Founded in 1987 by Hans Backhoff and four friends, Monte Xanic is heralded as Mexico's first boutique winery, and its move to make wine from its own grapes helped spark the valley's boutique revolution.

Since 2023 every bottle comes only from its own estate vineyards in Valle de Guadalupe and Valle de Ojos Negros, farmed regeneratively with organic practices, and its winery is a model of modern eco-friendly design.
