Notes:

- The name and logo of the winery represent three roots and are symbolic of the 3 sons of the owners.
- Minimal intervention and sustainability are cornerstones of the operation, stemming from an intention to make place-based wines that are a true expression of the land and vines they come from.
- Winemaker Aaron Huertas grew up in vineyards as a child in Rioja watching his grandfather make wine. At the age of 9 he made his first wine and at the age of 22 he graduated #1 in his class from the department of oenology at the prestigious University of Madrid. Having worked as winemaker at Finca Allende, Finca Nueva, and González Byass, he was offered a job making wine for the omnipresent consultant Michele Roland, an offer which he turned down to pursue his own path in making wine. He chose to work and accept an offer to work with Tres Raices in 2022 being inspired by their dedication to making exceptional wines, framing elegantly without compromise, and supporting all aspects of the winery with equipment that supports the expression of nuance in every harvest.

2023 Extra Brut Sparkling Rosé - Tres Raices

Tasting Notes and Drinking Window:

It's only the very first vintage, and this wine has already set a benchmark. Crafted entirely from Pinot Noir using the traditional méthode champenoise, it spent 24 months on the lees and received only a micro-dosage, earning its extra-brut designation. Amid Mexico's growing sparkling wine scene, this cuvée stands firmly in the world-class tier. A fine, persistent mousse, captivating aromatics, and a seamless, poised balance on the palate leave nothing to be desired—except, perhaps, another bottle.

Vineyards:
Estate vineyards planted in 2016 at 6,400 ft in the highlands between the towns of San Miguel de Allende and Dolores Hidalgo in Guanajuato. Soils are a sandy loam over a subsoil of limestone. Cool temperatures allow for slow ripening of grapes with an ideal balance of sugars and acidity. The parcels used for this wine are 12 acres in total.

Winemaking:
Harvested by hand on August 10th. Manual sorting proceeded a gentle press and fermentation in stainless steel tanks. After fermentation, the wine was transferred into concrete eggs aged on the lees for 12 months. This was followed by a second primary fermentation in the bottle and an additional 12 months on the lees in bottle before disgorging.
